TO THOSE OF YOU CONSIDERING THE MINOR ADJUSTMENTS DISCIPLESHIP HOUSE ·

Minor Adjustments Discipleship Homes are not ordinary rooming houses—they are Christ-centered environments built for transformation, accountability, and community. Each resident commits to a lifestyle rooted in biblical principles, personal responsibility, and spiritual growth.

We understand that returning to old environments tied to addiction or criminal behavior can be dangerous. That's why we provide a safe, structured, faith-rooted home where individuals can walk in their deliverance and maintain freedom from past strongholds.

Our goal is to maintain a family-like household where individuals live together as one unit, sharing common living and eating areas. Through faith, structure, and the Word of God, we promote life transformation, healthy coping skills, relapse prevention, and purposeful living in a supportive environment.
